98	Nigga, Fag, Dyke, Homo, Hoe, Thot, Bitch, Fuckboy
99	I hear "your stupid" a lot
100	Fag, Weirdo, Lesbo, Dyke, Wetback, Beaner, Border Jumper

Question: 10. What should society do about demeaning and inappropriate language?

Respondent	Response
1	Confront those people and explain the effect they have
2	Think before they say
3	Society should never condone that type of language and individuals in society should never use that type of language themselves.
4	Keep their opinions to themselves. If it's not nice, don't say it at all.
5	Stop using said words
6	Bullying using inappropriate language should be illegal.
7	Society should bring awareness to this problem because many people do not think it is serious due it being ??????
8	They should rethink their values.
9	Talk about it and say its not right
10	Stop, they need to realize how they are affecting and hurting people around them.
11	Be more open about it and how it affects all of us.
12	We should learn to talk appropriately
13	I think society should confront more problems
14	Try to persuade people to stop.
15	Create more awareness and advocate it more to the community. Have more guest speakers at school.
16	Shed more light on the issue.
17	Society should change it's vocabulary
18	Bring it out and stop it.
19	We should discourage the use of such words and that we must stand up to people who use such words.
20	Think before they speak
21	They should stop it.
22	Society should make it socially unacceptable. Schools should have character courses that explain and set social norms based upon respect.
23	Not use them, say something nice.
24	Don't use them
25	Speak up!
26	Speak Up!
27	Don't use it

Question: 10. What should society do about demeaning and inappropriate language?

Respondent	Response
29	They should be more aware of the impact it has on people.
30	Confront!
31	Talk to someone
32	We should think about others and spread knowledge/awareness that words are powerful and hurtful.
33	Stop and apologize.
34	We need to stand up and say " This is not okay."
35	Really make sure the people who use those words are aware of how they would feel if it was said to them.
36	Society should stop making demeaning and inappropriate language a part of culture and focus on being nice to each other instead.
37	They should speak up about inappropriate language
38	Use awareness to stop inappropriate words from spreading
39	Not say them out loud if possible, or change the way they say it.
40	They should change it and stop the demeaning language
41	Society show show people to think before they speak.
42	Reduce the usage or just embrace and become stronger
43	Society should measure their words more and educate themselves more.
44	Right now I don't know but they should be punished
45	Watch their words and think before they say it.
46	Speak about it and shed more light on it. Stop accepting derogatory language.
47	I believe that we should give more public attention to this topic so more can know about it.
48	Give less power to words, because words has much power we give them.
49	Make a difference
50	Talk to the person that said them and teach them through your own actions on how to positively uplift someone.
51	Discuss with people about the seriousness and make them pledge that they will try not to use them
52	They should try to teach the youth to not use those words to hurt someone.
53	Teach our children the meaning of those words
54	We need to change. I agree, we need to think about the things we say to people and how it will affect them.
55	Show others that people do get hurt.
56	Try and stop it.
57	Try to stop it.
58	Don't use it, and people should advocate for respect
59	They should make people more aware of the consequences of their words
60	Society should make a campaign to raise awareness.
61	Address the issue, language
62	Limit it.
63	Let them make fools of themselves
64	Educate the youth and community not to use it.
65	Stop it
66	Let the person be don't worry about them.
67	Everyone is entitled to what they want to say and censorship may not be the best but society does need to know the consequences of wha they say and how it affects others.

Question: 10. What should society do about demeaning and inappropriate language?

Respondent	Response
68	We should teach our children not to say them. Start with the youngest generation.
69	Erase it from our language.
70	Promote respect and enforce it.
71	Not use them and stand up to people who use them.
72	Suck it up.
73	Make a change
74	Make it known that it's not "cool" or okay for people to be mean like that.
75	They should stop using those words and not hurt everyone's feelings.
76	They should know how people and discuss it.
78	Stand up
80	I personally don't know if it'll be possible to completely get rid of these terms, no matter how much I want them to be gone.
81	Stand up for themselves and advocate
82	Have some type of class and help people express themselves.
83	Campaign against, Prohibit this behavior
84	Learn about how words impact others and self evaluate.
85	Stand up to another
86	Stop using them.
87	Stop using them
88	Be more aware and bring awareness.
89	Social media and TV
90	Nothing and be chill
91	Nothing
92	Stop using it
93	Society should stop using those words
94	Learn to not say those words
95	Stop
96	Confront the person
97	Stop using it and tell other people to stop.
98	Confront the person, make a difference
99	Teach
100	Society should teach students about what to do whenever they hear or use such language. They should also inform others as to how it makes said people feel.
