Personal Introduction

Why I am choosing this career

This is where you will type your opening paragraph. Include personal details of just why you have chosen this career field. Make sure it fits in this frame, and you use complete sentences. Adjust the point size of this font if you need more room. Spell check and proof read carefully before you submit this assignment.

Nature of the Work

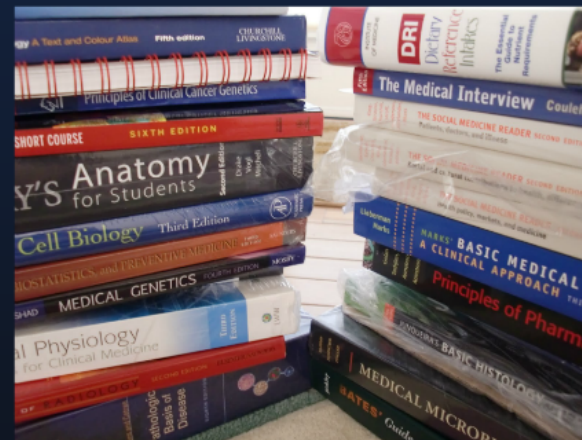

- Use bullet points to list what they do
- Delete any bullets you don't need
- Choose the most important points from your research about this job
- Center the copy in the middle of this box when you have finished making your points

Insert a picture here

Training, Qualifications and Advancements

- Minimum education: Bachelor's Degree
- List other training and education that you need to become one
- List any license you might need, graduate school, or internships required
- Adjust point size as needed

One or two more pictures or graphics
Edit size as needed dragging in from corners to enlarge or reduce

Colleges That Offer This Degree: Bachelor's of Science

- University of Florida
- University of South Florida
- Florida State University

Work Environment

This is the section where you discuss what kind of location this career requires. Is it an office job, an outdoor location, a position that requires a great deal of travel, or is it flexible?

Insert pictures or graphics to make this slide interesting.

Job Outlook

Describe the percentage increase (or decrease) in this occupation. Use statistics from the OOH or the Kuder. Is this above or below average? What state do you plan to work in? The job outlook will vary from state to state. You might want to insert a graph here to show the growth in the next decade.

Is it a "Green" job?

Is job growth increasing over the next 10 years?

Earnings

Discuss the salary range here: low, median, and high. Is there an hourly wage?

Does your Kuder values reflect your need of a high-paying career? Personalize this section. How important is money to you?

Related Careers

This is "Plan B"

...or "Plan C"

Conclusion

This is where you personalize this research. Give this Prezi a finished feeling by wrapping up your thoughts and plans on this career. How will you stay motivated to complete your education and enter this field? Do not introduce anything new in the conclusion. Make sure to spell check and proof read carefully. Use complete sentences--no run-ons and no fragments!

References

Use APA style for your references. Cite the OOH and Kuder, plus any other resources you may have used (Ferguson's?)
