Response Report by Item

Question: 5. What did you learn from attending this event?

Response
Black History
Soul music history
Black POver
Black history
Jim Crow history
All cultures are very talented
Jim Crow era
I learned about deserts of Africa and the Rain Forest. I also learned the value of culture a little more
A bit about our culture (African)
It was a great experience
Lots
The entertainment - the man from Africa letting the audience play the different types of instruments
Need more community outreach
Raised my self image
Learned about Africa
The community doesn't participate
People can actually get along
About more people in the community; got to experience African American culture
Great feeling of community
I like the program due to it's recognition of Black history
Bring an educator of K-12, I have an extensive knowledge
I learned @ Brazilian dance. I also learned @ Avondale P.D. and their programs
Employee of EMCC
Everyone is special, God is good all the time!
Perfect
On my school canvas
History of Estrella
History
Everything
This event was not well advertised. I would have loved to have encouraged my students to attend, if I had known about it
The African diversity
Culter
Black history
African American contributions made to this country
More about my race
More about my culture
I was born during the Jim Crow era
History, economics of blacks
Music history
The University of African American culture
The diversity of African American culture
The diversity of African American culture
I learn the diversity of African American culture
Avondale has shown it's inspiring attributes early 2017

Question: 5. What did you learn from attending this event?

Response
More about the culture
Interesting
That African American people feel that they are not payed equal!!!!
That all cultures should be represented
Feel better around other blacks
That society is against raising up and or being equal towards other races
The elder spokeswoman was well dressed and articulate
Musical impact of African American culture on contemporary music
The beautiful culture, music and more
Many of their amazing beautiful culture
African music
A lot about Black history and culture
To see different people come to the event
Music
I really enjoyed the drums and how interesting the presentation was. It was fun and I learned about Africa!
The diversity within the African American culture
Not enough information before. I found out on Wednesday from the Valley View newspaper, better turn out would be beneficial
African cloths look very nice in frames
Yes I learned a lot
Learning we can get together and as community learn about black history
Showing us we get along together and the highest Mountain in Africa
How much African history is not presented to America
Culture can come together and celebrate history
How people can come together and celebrate one and nother's culture
Africa culture
The mountains in Africa
Stuff - that we need to get word out more
The culture and diversity of African American history
Africa's connection to African Americans - also geography, drumming, African American inventors/scientists
I love when we have these events on the Westside
Peace & Quiet
That if notified in time we can have a strong presence in community need more advertising!!!!
There is a variety of talent that support Black history
I learned more about the history of African American history and more culture
Several achievements by Black people that are not widely known or celebrated
Every year gets better, should be more out put on knew people
Arrived late. Enjoyed the entertainment
